2019-2023

CGPA 3.86 out of 4.00

BSC in CSE

American International University - Bangladesh (AIUB)

Expertise

- React based UI/UX design
- Software Requirement Engineering
- Software Project Management
- Software Quality Assurance
- Basic Programming: C++, Python

Language

Bangla

English

Experience

FEB-2023 - MAY 2023

Petspital | 42/7 A Chaturvuj, Moneshwar Road, Hazaribag, Dhaka.

Software Engineer (Intern)

Redesigned the Petspital app's UI using React and Tailwind CSS to bring a fresh perspective. Contributed ideas for promotional materials to promote new services. Developed and launched various personal React projects, including a portfolio website and a tic-tac-toe game on Vercel. The positive three-month internship experience was shaped by the open-mindedness and friendliness of supervisors and colleagues.

Projects

React-based

- **Full-stack Web-App:**
